Dear parents and carers,

## Summer Term Events

We have so much happening during the Summer Term that it gets its own newsletter. It has been quite a while since I have put together an events calendar for the school; the last one I wrote was in January 2020! It really is great to see so much going on at New Cangle. Please be aware the dates on the calendar below (in a handy, stick on the fridge format!) may be subject to change and are not all completely confirmed, but we'd like to give you as much notice as possible for these events. More details are to follow for many events.

**Jubilee Celebrations:** To celebrate the Queen's 70<sup>th</sup> Jubilee, on Friday 27<sup>th</sup> May we are inviting the children to either wear red, white and blue or to come to school dressed like a queen or king. We would also like to welcome parents into school for a family picnic and games on the field. This will be taking place in the afternoon; we will let you know the timings shortly.

**Learning Together Events:** Our Sunbeams and Year 1 parents will have never taken part in a 'Learning Together' and I'm sure others may need a reminder of what it is. We love having parents in to school to share with learning. Each class has 1 learning together per term and we make sure that they do not always take place on the same day or at the same time so that we can accommodate different work patterns. The Learning Together events this term will all take place at 2.00pm. Next term we will have all the events in the morning. This term the Learning Together events are quite close together and we apologise if this causes inconvenience for any parents with children in different classes. Unfortunately, we do not have enough staff to offer any crèche facilities. We ask that, if possible, parents do not bring younger siblings, so that they can spend time working with their child.

**Sports Day:** This is planned for Wednesday 6<sup>th</sup> July. More details will follow closer to the date.

**School Trips:** As per my previous newsletter, we currently try to do at least 1 visit a term but will be looking at how we can increase this provision to 1 per half term. We try to balance local visits with visits further afield, so that there is less of a financial burden on parents.

Yours faithfully,

*J. Brading*
